SkinPen
BY CROWN AESTHETICS

www.compassionacupuncture.com

The SkinPen® Precision system is a microneedling device and accessories intended to be used as a treatment to improve the appearance of wrinkles of the neck for Fitzpatrick skin types II - IV and to improve the appearance of facial acne scars in adults with all Fitzpatrick skin types aged 22 years and older. Rx only. See intended use, important safety information, and clinical trial details (data on file) at skinpen.com. *Results are generated by your body's natural wound healing process.
